

## Thomasville Area Board of Realtors

---

### [April Luncheon](#)

Thank you luncheon sponsors Matt Shiner, PC-Attorney at Law and Thomas County Federal. We would also like to thank State Rep. Darlene Taylor and Peggy Slappey-RPAC for speaking with us.

### [Community Service](#)

We are partnering with Project BackYard on Saturday, May 2 from 11-1pm at Rose City Estates Mobile Home Park to spruce up their community center, neighborhood park, and children's playground. If you cannot make the workday, we are asking each Realtor to donate a flowering plant and drop it off at Chubb Realty. Rose City Estates Mobile Home Park is located on 319 South of Thomasville. We will meet at the Community Center in front of the neighborhood.

Questions please contact Emily Eckels or Peggy Corbitt.

### [Facebook Page](#)

Help us grow our new FB page, Thomasville Area Board of Realtors. With your help we can do just that. Please visit it and like it. If you share the page on your wall after you like it you will be entered to win a Winnstead Plantation and Nature Preserve Nature Print. You don't have to be a Realtor to like our page. We want the community to know what we are doing.

### [From the Desk of the Association Executive](#)

I would like to thank everyone for the warm welcome I am receiving. The board and I are hard at work. Some projects won't affect you, however some of them may. We are working in the best interest of this organization and are keeping our membership first and foremost. You may start to see some anonymous surveys in your email. Please make every effort to fill these surveys out. We want to know how we can best serve you!
